Students are required to purchase the book, and in the event of level change, they can exchange it at no additional cost.

Furthermore, those who return the book in good condition at the end of the course are eligible for a refund.

ASSESSMENT

Students are continuously assessed and tested throughout their study programme. Progress tests take place at the end of a four-week period and students are also assessed as they process daily activities.

PUNCTUALITY & CODE OF CONDUCT

We are here to maximise your learning. Students should take a responsible attitude to learning and attend all classes on time. Students should speak English only throughout the school building, and always bring a pen and paper to class. Disrespectful behaviour to classmates and teaching staff is not acceptable. We follow up on any repeated absence or lateness or disrespectful behaviour.

REQUEST FOR CHANGE OF LEVEL

The Academic Manager will:

- Check your placement score and progress test results
- Discuss a change of level request with your teacher
- Arrange an interview with a teacher from the next level
- Use all of the above information to make a change of level decision

If you feel that you are in a class at the wrong level, please speak to the Academic Director.

COMPLAINTS AND GRIEVANCES
