# Academic Approach

## Learning Objectives

Our aim at Basil Paterson Edinburgh is to provide a learning environment which helps all students to reach their full potential. Whether your objective is to improve your English skills for work, university or life in an English-speaking country, you'll find that studying at Basil Paterson provides the focus and drive that you need. With a class maximum of 12 students from all over the world, you have the opportunity to interact in a truly international environment. Tailored support from experienced teachers, weekly assessments and individual coaching sessions help our learners to achieve their aims. Our methodology ensures that learners are not only developing their language range and accuracy, but also developing essential skills such as critical thinking, public speaking, self-study methods and compensation strategies. We expect learners on our adult courses to take ownership of the learning process, working with their teachers towards a common goal.

## Course level

We ask every student to complete a needs analysis and placement test before arrival and a short speaking assessment on the first day. This gives us essential information about your English language level, your goals, your needs and which class would be most suitable for you. Students move at different speeds and there is no fixed time for studying at each level. Progress depends on motivation, self-study habits, learning

strategies and language immersion. We expect students to work hard and focus on their goals, but also to be realistic about what is achievable in the time they have.

## Assessment

Learners have a weekly assessment every Friday morning. This is designed to assess your progress, help you revise what you have studied and push you to apply new language and skills. Your teachers will assess your progress in class all the time, by reading your written work, listening to your spoken production and evaluating your performance in class. They will give you regular feedback and discuss your progress during weekly coaching sessions. Students are also expected to self-assess regularly, evaluating their own progress in relation to their goals.

## Coaching

Every Friday learners are invited for an individual coaching session. The purpose of these sessions is to provide an opportunity to discuss your own progress and to set achievable goals for self-study. We expect all learners to take responsibility for their own learning and work hard outside of class time. Think about what you want and need to improve most and how you can do this independently. Make sure your objectives are SMART (specific, measurable, achievable, relevant and time-bound).

# Academic Approach

## Homework

Our courses are designed to be intensive and learners should expect homework every night and over the weekend. Doing self-study regularly will ensure you make better progress and develop good learning habits. Remember that homework doesn't need to be a written exercise. Why not challenge yourself to make a phone call to a company in English, interview your homestay hosts or watch a TED Talk on an interesting topic?

## Certificates

At the end of your course, you will be given a certificate showing your course dates, attendance and assessment of your level of spoken production, spoken interaction, reading, listening and writing skills. The levels are based on your teachers' evaluation of your level with reference to the Common European Framework for Languages.

## Daily Programme

The day of study starts with a morning discussion session, bringing students from all classes together. Interesting topics are selected from local and international news as a springboard for discussion. The rest of the day consists of carefully designed lessons which cater for your diverse needs.

## Spoken Performance Workshop

With a focus on pronunciation and using role-plays, presentations and discussions, learners develop their oral fluency, enabling them to operate confidently in a variety of real-life situations in English.

## Language Focus

Authentic target language and grammar points are introduced in this session, helping learners develop a solid foundation in English language.

## Language Practice

Building upon the language introduced in the previous class, learners have the opportunity to put their new knowledge into practice through speaking and writing activities.

## Reading and Writing Skills Focus

This class provides intensive focus on improving your reading and writing skills, as needed for your future work or studies.

## Project Workshop

This class mirrors the project work and collaboration which takes place in English around the world every day. In addition to your English language skills, you also develop your problem-solving, interpersonal, research and organisational skills.

# English Focus

## Become a high achiever

Our English Focus course provides you with the essential tools for effective comprehension and communication in English. In addition to the development of your knowledge and accuracy, classes focus on the core language skills of reading, writing, listening and speaking.

As one of the few course providers open over the festive period, Basil Paterson Edinburgh offers an intensive two-week Christmas course which runs alongside our festive social and cultural programme. The Christmas Course is ideal for learners who want to come and experience a traditional Scottish Christmas in a homestay environment. It is also suitable for university students who are already studying in the UK over the academic year and would like intensive language skills development between semesters. Popular social and cultural activities during the Christmas Course include Scottish ceilidh dancing, festive storytelling, ice skating in Princes Street Gardens and a torchlit procession through the Old Town.

## Festival Course

In August every year, Edinburgh comes alive for the International and Fringe festivals, with thousands of performances taking place in venues across the city, including dance, theatre, comedy and the world-famous Edinburgh Military Tattoo. We harness this energy in the classroom with our Festival course, which runs from 5th to 23rd August. The course structure mirrors the English Focus programme, combining essential language and skills development and an afternoon Project Workshop inspired by the Edinburgh Festival. On past courses students have prepared and delivered a performance, led their own guided tour and produced a festival documentary, demonstrating their new-found confidence in a second language. The course is complemented by a full and varied social and cultural programme, with eight activities scheduled per week.

The Festival Course is particularly suited to those interested in literature and performance art, providing a fully immersive cultural experience. Where possible we recommend students book for the full three-week programme so they have the opportunity to see all the festival has to offer.

# Accommodation

We want your experience in Edinburgh to be as enjoyable as possible and for that reason we offer a wide choice of accommodation options. Whether you prefer an immersed experience in a homestay or require more independence, our dedicated accommodation staff will help you find the right option.

## **Homestay**                  **£225 per week (shared bathroom) or £345 per week (private bathroom)**

Living in a homestay has many advantages. Most importantly, you have the chance to practise English throughout your stay, to interact with local people and to immerse yourself in the local culture and language. We choose our homestay families very carefully, both for the facilities they have to offer and, especially, their ability to give you the warmth and welcome of a “home from home”. At your homestay you will eat meals with the other members of the household and share the common living areas. You are provided with a single room, or shared room if required, breakfast and dinner every day and a quiet place for study. Homestays are located in residential areas of Edinburgh, typically 30-40 minutes from the college on good bus routes.

## **Student residence (July/Aug)**    **from £270 per week**

During summer months we can offer several different university residence options; ideal for students aged over 18 who would like a more independent living experience. At a student residence you will have a single room with private bathroom, access to shared kitchen facilities and common living areas. Most residence options are within walking distance from the college. Please note that demand for student residence accommodation is high during the summer months, so we recommend booking as early as possible to avoid disappointment.

## **Private apartments**    **from £500 per week**

These are available throughout the year and range from studios to multi-bedroom flats. We work closely with several reputable letting agencies who offer accommodation in central Edinburgh. Please contact us with your travel dates to confirm availability and price.

- All accommodation options begin the Sunday before the course starts and end the Saturday after the course finishes. Other options may be available; please enquire.

# Social and Cultural Programme

At Basil Paterson Edinburgh we believe the learning experience should continue once classes have finished for the day. Our courses run alongside a varied social and cultural programme, which provide an opportunity for students to learn about the Scottish capital and make friends with both international and local students in a relaxed and informal setting. During the summer months we offer eight weekday activities per week and at least four activities per week during the rest of the year. The schedule changes every week, designed to provide something for all ages and interests. The majority of our activities are free of charge, with a small supplement for certain activities such as theatre visits or Scottish ceilidh dancing. We can also help students to book weekend trips to other parts of Scotland and make recommendations about the best places to visit.

## Sample programme (summer)

**Monday:** Guided walking orientation tour

**Tuesday:** Scottish ceilidh dancing (£6 approx.)

**Wednesday:** Visit to Cramond Island

**Thursday:** Walk along the Water of Leith to the National Gallery of Modern Art

**Friday:** Folk Music in a local pub

**Saturday:** Day trip to Loch Ness and the Highlands (£40 approx.)

A recent survey revealed our top five most popular social and cultural programme activities.

### 1. Traditional Storytelling in the College

Our most popular activity by far. We invite professional storytellers to the college to tell traditional Scottish stories, talk about local culture and give students the opportunity to share their own stories.

### 2. Scottish Ceilidh Dancing

At a traditional Scottish ceilidh, you won't just be a spectator; you'll be a participant. Scottish dancing is fun, energetic, sociable and all ceilidhs have a 'caller'; someone who teaches you the dance steps.

### 3. Escape Room

Working with a team of your classmates, you'll use your critical thinking and problem-solving skills to escape from a room. Will you manage to escape before your time is up?

### 4. Visit to the Scottish Parliament

Learn more about this historic and controversial building and go inside the debating chamber to listen to live debates.

### 5. Walk up Arthur's Seat

Did you know that Edinburgh is built around seven hills? A short walk to the top of Arthur's Seat provides beautiful views of the city skyline.

# Booking Terms and Conditions

## 1. Definitions

1.1 When the following words with capital letters are used in these Terms, this is what they will mean:

**Booking:** your booking for one of Our Courses;

**Courses:** the language training courses advertised on Our website;

**Deposit:** the sum of 300 GBP;

**Event Outside Our Control:** is defined in clause 8.2;

**Fees:** the fees payable by you in respect of your Booking;

**Terms:** the terms and conditions set out below;

**We/Our/Us:** Instill Education Limited (trading as "OISE") a company registered in England and Wales under company number 01293463 and having its registered office at 38 Binsey Lane, Oxford OX2 0EY, United Kingdom. VAT registration number GB792403230.

1.2 When We use the words "writing" or "written" in these Terms, this includes e-mail unless We say otherwise.

## 2. Bookings

2.1 Bookings can be made by completing and submitting the form on Our website together with payment of your Deposit or the total Fees (as applicable, see clause 3.1).

2.2 Please ensure that you read these Terms carefully, and check that the details of your Booking are complete and accurate, before you make your Booking. If you think that there is a mistake, please contact Us to discuss. We will confirm any changes in writing to avoid any confusion between you and Us.

2.3 When you make a Booking with Us, this does not mean that We have accepted it. Our acceptance of the Booking will take place as described in clause 2.4. If We are unable to confirm your Booking, We will inform you of this.

2.4 These Terms will become binding on you and Us when we confirm your Booking in writing to you, at which point a contract will come into existence between you and Us. We will assign a unique reference number to your Booking and inform you of it when We provide confirmation. Please quote this number in all subsequent correspondence with Us relating to your Booking.

## 3. Payment of Fees

3.1 Where the Course is due to begin more than 4 weeks from the date of your Booking, a Deposit is payable at the time of making your Booking. Where the Course is due to begin less than 4 weeks from the date of your Booking, the Fees must be paid in full at the time of your Booking.

3.2 When We confirm your Booking under clause 2.4, We will provide a statement showing the balance of the Fees due to be paid, which should be settled at least four weeks before the Course starting date. Please note that you will not be allowed to attend any Course unless payment of the Fees has been made in full.

3.3 All Fees must be paid in Sterling (GBP). All bank charges are payable by you.

3.4 All refunds due under these Terms will be paid to the person from whom payment was originally taken, using the same method of payment as used by them.

## 4. Changes to Bookings

4.1 If you wish to change your Booking by switching to another Course, you must provide at least 10 days' notice of such change to Us in writing, otherwise you will be expected to attend the Course originally booked or cancel your Booking under clause 7.

4.2 Where you have given the appropriate notice under clause 4.1:

(a) We will refund any difference between the cost of the original Booking and your revised Booking on the last date of the Course to which you have switched (whether or not you remain on the Course for its full duration); or

(b) You may be required to pay any difference between the cost of the original Booking and your revised Booking at the time of your request.

4.3 If you wish to take a holiday at any time during the Course, you must give Us at least two weeks' notice in writing. No refunds are payable in these circumstances.

4.4 We reserve the right to cancel a Course, or make changes to course arrangements, as a result of Events Outside Our Control. Clause 8 will apply in such circumstances.

## 5. Our liability to you

5.1 Where We provide any assistance to you in making travel and accommodation requirements, We do so only as an intermediary between you, travel organisations and host families. Unless and to the extent caused by Our negligence, We will not be liable to you for any losses arising from any delays or failures relating to travel and accommodation arrangements. We will, however, use our reasonable endeavours to defend your interests and mediate on your behalf in the event of any breach of contract on the part of a travel organisation or host family.

5.2 If We fail to comply with these Terms, We are responsible for loss or damage you suffer that is a foreseeable result of Our breach of the Terms or Our negligence, but We are not responsible for any loss or damage that is not foreseeable. Loss or damage is foreseeable if it is an obvious consequence of Our breach or if it was anticipated by you and Us at the time we entered into this contract.

5.3 We do not exclude or limit in any way Our liability for death or personal injury caused by Our negligence or the negligence of Our employees, agents or subcontractors, or for any liability which cannot be excluded or limited by law.

## 6. Insurance, accommodation, student visas, study permits and safeguarding

6.1 You are responsible for arranging your own travel and medical insurance (including the costs of repatriation in the case of illness or accident) and student visitor visa.

6.2 If you are denied a student visitor visa and provide Us with a copy of the rejection letter on or before the first day of the Course, the We will refund all Fees paid.

6.3 Accommodation will begin on the Sunday before the Course starts and will end on the Saturday after the Course ends. If you have asked Us to arrange host family accommodation, you will receive details of your host family address at least five days before the Course starting date (unless you have made a late Booking) to enable you to inform the host family of your approximate time of arrival.

6.4 Basil Paterson Edinburgh operates a child protection and safeguarding policy in relation to care of our 16/17-year-old students. Full policies can be found on our website.

## 7. Your rights to cancel and applicable refund

7.1 You have the following rights to cancel your Booking:

(a) you have a legal right to cancel your Booking within 14 calendar days of the date of your Booking, in which event We will, subject to clause 7.3, refund all of the Fees including the Deposit; or

(b) you may cancel your Booking at any time after the period of 14 days referred to in clause 7.1(a) but before the Course has begun, in which event We will retain the Deposit and refund the balance of any Fees paid by you.

7.2 To exercise your rights to cancel under clause 7.1, you must inform Us of your decision by making a clear statement to this effect by completing the cancellation form on Our website or by contacting Us (see contact details below).

7.3 The law requires us to obtain your express consent to Us providing Our services where the starting date of the Course falls during the 14 day cancellation period referred to in clause 7.1(a). By making your Booking, you will be treated as giving this consent. You acknowledge that if you subsequently cancel, We will be entitled to deduct an amount from the Fees paid which is in proportion to the services that we have performed up to the date of your cancellation.

7.4 Once a Course has begun, you may cancel your Booking with immediate effect by giving Us written notice if:

(a) We break this contract in any material way and We do not correct or fix the situation within 30 days of you asking Us to in writing;

(b) We go into liquidation or a receiver or an administrator is appointed over Our assets; or

(c) We are affected by an Event Outside Our Control.

## 8. Our rights to cancel and applicable refund

8.1 We will not be liable or responsible for any failure to perform, or delay in performance of, any of Our obligations under these Terms that is caused by an Event Outside Our Control.

8.2 An Event Outside Our Control means any act or event beyond Our reasonable control including but not limited to strikes or other industrial action, civil commotion, terrorist attack or threat of terrorist attack, epidemic, adverse weather conditions or other natural disasters.

8.3 If an Event Outside Our Control takes place that affects the performance of Our obligations under these Terms:

(a) We will contact you as soon as reasonably possible to notify you; and

(b) We will, where possible, propose alternative arrangements (which may include alternative dates or venues) for the Course.

8.4 You may cancel your Booking if any alternative arrangements proposed by Us are unsuitable for any reason, in which case We will refund all Fees paid in advance for the Course.

8.5 We reserve the right to refuse your attendance on the course if you are suffering from any illness, medical condition or mental or physical disability which was not disclosed at the time of Booking.

## 9. How we may use your personal information

9.1 We will use the personal information (including sensitive information about your health, religious beliefs and practices or dietary requirements) that you provide to Us:

(a) to administer and provide Our Courses to you;

(b) to process payment in relation to any Booking;

(c) for internal training and monitoring purposes; and

(d) to inform you about similar Courses and other services that We provide, but you may stop receiving these at any time by contacting Us.

9.2 We will not give your personal data to any third party other than:

(a) as strictly necessary for Us to perform Our contract with you;

(b) to host families; or

(c) to the schools and offices within our group companies (which means our subsidiaries, our ultimate holding company and its subsidiaries, as defined in section 1159 of the UK Companies Act 2006) including those outside the European Union.

9.3 You have the right to access information held about you. Your right of access can be exercised in accordance with the Data Protection Act 1998. Any access request may be subject to a fee of £10 to meet Our costs in providing you with details of the information We hold about you.

9.4 We may wish to use photographs and audio visual media containing your image or likeness in our marketing and promotional materials and you hereby consent that We may do so in all and any media for such purposes. If you would prefer that We do not, you should notify Us in writing. We will also confirm this with you where we have a reasonable opportunity to do so. Copyright in any photographs or audio visual media continuing your image or likeness shall belong to Us and shall not entitle you to receive any royalties or other payments.

## 10. Other important terms

10.1 These Terms set out the entire agreement between you and Us relating to your Booking.

10.2 We may transfer Our rights and obligations under these Terms to another organisation, and We will always notify you in writing if this happens, but this will not affect your rights or Our obligations under these Terms.

10.3 This contract is between you and Us. No other person shall have any rights to enforce any of its terms.

10.4 Each of the clauses in these Terms operates separately. If any court or relevant authority decides that any of them are unlawful, the remaining paragraphs will remain in full force and effect.

10.5 If We fail to insist that you perform any of your obligations under these Terms, or if We do not enforce Our rights against you, or if We delay in doing so, that will not mean that We have waived Our rights against you and will not mean that you do not have to comply with those obligations. If We do waive a default by you, We will only do so in writing, and that will not mean that We will automatically waive any later default by you.

10.6 These Terms are governed by Scottish law. You and We both agree to submit to the non-exclusive jurisdiction of the Scottish courts.
