About Ealing

Ealing is located in the heart of West London and is the third largest borough. Ealing Broadway has all the advantages of a small town with a great community atmosphere and local businesses, but all the benefits of being close to the centre of London, with excellent transport links.

Whatever your interests, there is something here for you.

Shopping

At the hub of the borough is the Ealing Broadway shopping centre. With major retailers, global brands and a wide variety of restaurants, it is certain to offer something for everyone. On sunny days, the courtyard is the perfect place to relax with friends.

Close by is also Westfield London with its luxury designer brands, world famous Portobello Road Market, and The London Designer Outlet with at least 30% off everything!

Sports

Ealing has countless local sports clubs: badminton, canoeing, cricket, golf, tennis, football and swimming to name but a few.

There are also many gyms in the area starting from just £14.99 a month.

Outdoors

Home to eight Royal Parks, London boasts so much green space (47% of all land area) that it has officially been recognised as a national forest, the world's first "National Park City."

Walpole Park is on the doorstep of WLES. It is a registered English Heritage site, and home to Pitzhanger Manor and Gallery, which has stood on the grounds for over 200 years.

Culture and History

Here in Ealing we are proud to boast our festivals (comedy, blues and jazz to name but a few) and Pitzhanger Manor. The manor was recently re-opened to the public and has been restored to its original Regency period design, as envisioned by architect and owner Sir John Soane, and also features contemporary art exhibitions.

Food and drink

In Ealing, you can eat around the world! We have independent restaurants offering cuisine from Tunisia, Japan, Spain, Greece, Thailand, Vietnam, Persia, Italy, Poland and more! We also have amazing independent coffee shops like Farm W5 with great organic food and fab coffee, Artisan and Reineta in Dickens Yard.

Central London

We are only 30 minutes away from Central London. Check out the theatre, museums, parks and nightlife. London is the best city for studying, exploring and making unforgettable memories with international friends for life.

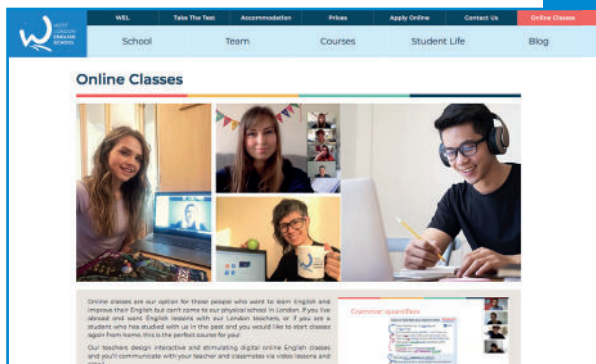

Online courses

You can also join us online. Online classes are our option for those people who want to learn and improve their English but can't come to our physical school in London. If you live in a different part of UK or abroad and want English lessons with our London teachers, or if you are a student who has studied with us in the past and you would like to start classes again from home, online courses are perfect for you!

Our teachers design interactive and stimulating digital online English classes and you'll communicate with your teacher and classmates via our online e-learning video platform, WEL. Once you sign up for an online course, you will receive your log-in details for WEL and can join your classmates via your digital device.

In the class, you will work with other students (usually 2-5 other students) on your speaking, listening, reading and writing skills as well as vocabulary, grammar and pronunciation. Because the classes are learner-centred, you are given the opportunity to practise everything related to language with students from all over the world. Our academic team select relevant and interesting coursebooks to ensure you receive a variety of language input. Your teacher will also give you several recommendations to help improve your English such as YouTube links, news articles to read and other online resources and games.

What are the benefits of online learning?

- Smaller groups compared to face-to-face classes mean more one-to-one time with the teacher
- You can learn from anywhere in the world as long as you have a good internet connection and a device such as laptop or PC, tablet or phone

Our current online courses include*:

- General English
- Academic IELTS
- OET exam preparation

If you want a course designed exactly around what you need and want, private tuition may be right for you.

Maybe you would like extra help with General English, pronunciation, a specific exam or a job interview. Private tuition is so specific that you can work on any skills you need. The topics and skills covered in the lesson can be decided by you or suggested by your teacher.

Based on your needs and wants, your teacher will design a course plan with you to develop a personal programme to develop the exact skills you need, at a pace appropriate to you.

There are two options for private tuition:

1 to 1 lessons:

A class with just you and the teacher. Open to any level of English.

Small group:

A class with you and up to 3 other students. Open to any level of English but you must all be a similar level with a similar goal (e.g. to pass the IELTS exam).

Number of students	Rate per hour
1 to 1 (Exam preparation & Business English)	£70
1 to 1 (General English)	£65

Welfare

At West London English School, we prioritise the safeguarding of our students, both inside and outside of the classroom, and we take pride in our caring and supportive environment. The student is at the heart of everything we do and we want our students to feel listened to and treated as individuals. We have appropriate and efficient welfare systems and it is our first priority to ensure our students and group leaders are safe, happy and comfortable.

Our staff are well-qualified and experienced, and have all been trained in child protection and safeguarding with police suitability checks in place as a condition of their employment.

There is **on-site supervision** for all students from 8.30am-7.30pm. Outside of these hours, all students have access to the **24-hour emergency contact number**. We have first-aid trained staff on site between 8.30am-7.30pm as well. We also provide details of local doctors' surgeries and the local hospital if more specialist medical attention is required.

From the moment a student arrives, there is always a member of staff they can talk to and a clear point of contact for all welfare issues. As part of their course, usually on the first day, all students under 18 receive a briefing on staying safe whilst at WLES. Under-18 students also have weekly meetings with the **Welfare Officer**, or their group leader if arriving with a group, to ensure any issues are solved as quickly and efficiently as possible.

We strongly recommend that you take out **travel insurance** at the time of booking your trip as cover will begin for pre-departure cancellation from the date accepted for cover. This will, therefore, provide cover if the trip has to be cancelled for an insured reason such as illness or serious accident preventing travel.
